

『Nexis Uni』 Upgrade Announcement

2024.5 Sophia U Library

The database "Nexis Uni" currently under contract at the library will be upgraded in mid-July 2024. Ahead of this, the new "Nexis Uni" can now be available concurrently. Please try the following steps.

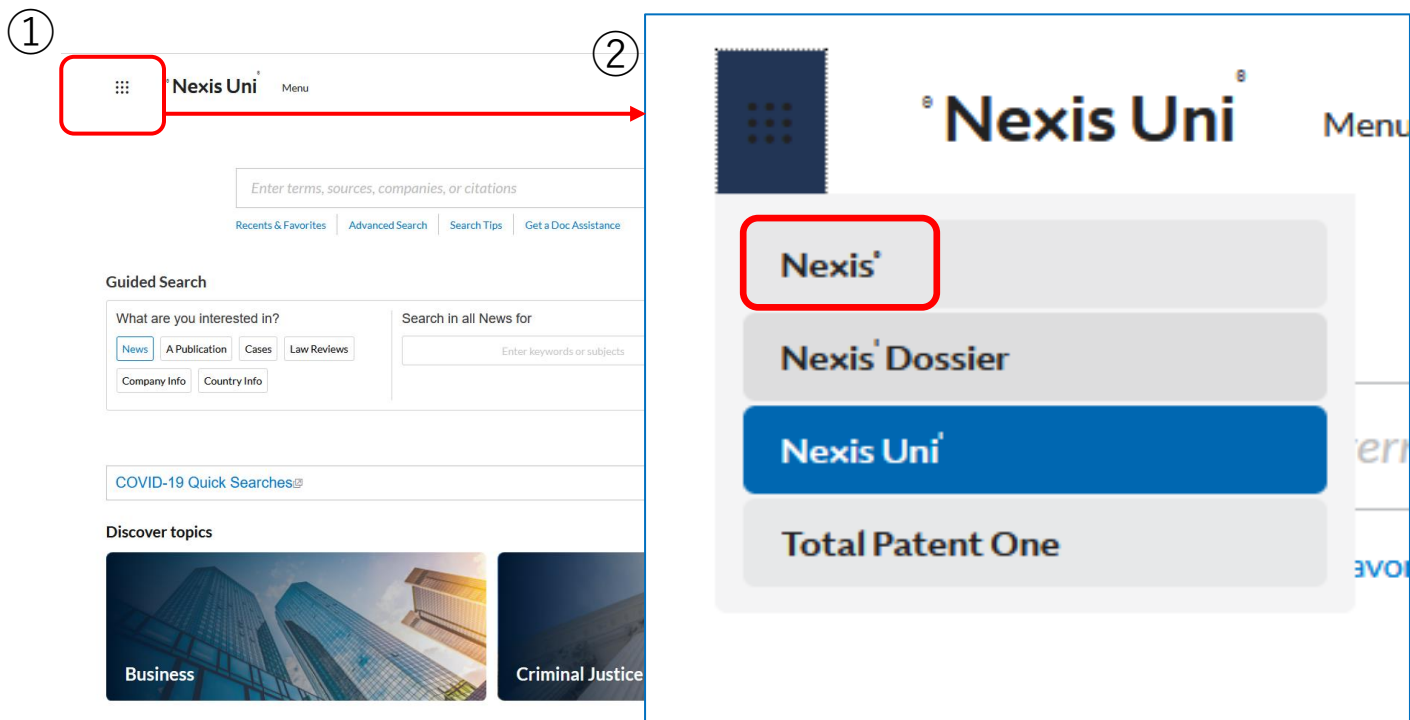

The specific date and time of the upgrade has not yet been determined, but after the upgrade, the old Nexis Uni will no longer be used in conjunction with the new Nexis Uni, and only the new Nexis Uni can be accessed from OPAC.

【How to access to New Nexis Uni】

Search database > 【 Purpose 】 Useful Databases

<https://www.lib.sophia.ac.jp/opac/myopac/gateway/list/purpose/01/>

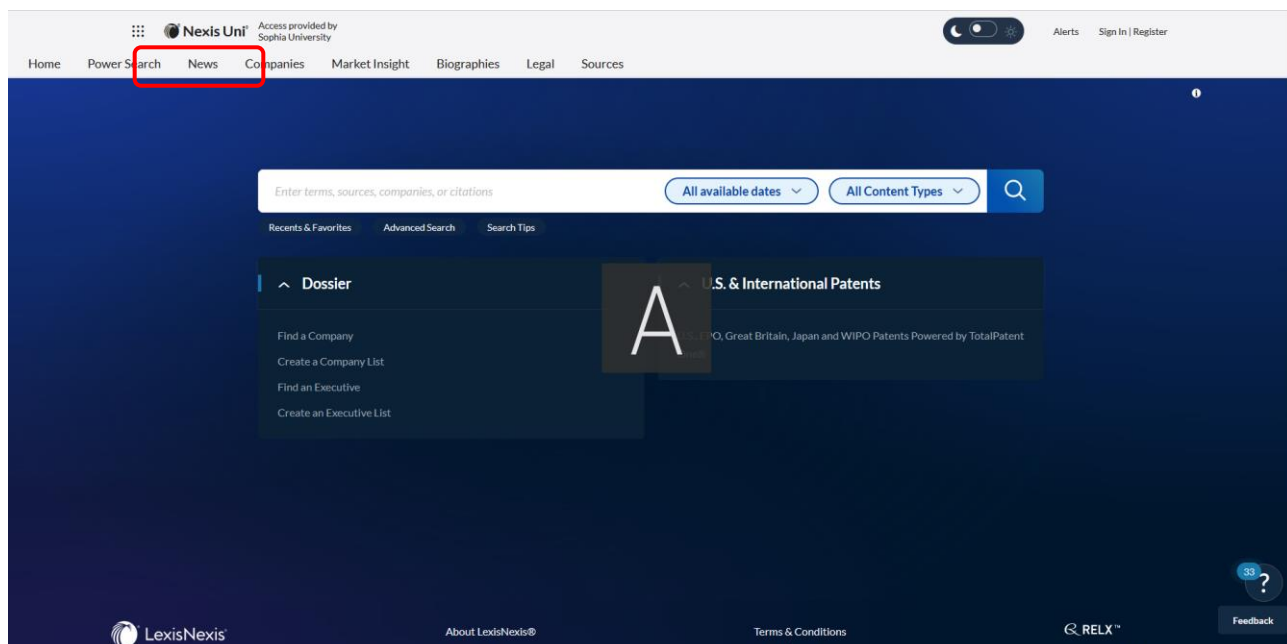

※Log in to MY OPAC. From off-campus, you need to connect VPN.

① Click the menu icon (three dots) on the screen.

② When the menu bar appears, select "Nexis" at the top.

3

You can search for newspapers from the "News" tab.

【Changes and Points to note】

- ◇ What is New with Nexis Uni
 - Improved search tools and filters
 - Visualize search results
 - Instant content summarization
- ◇ No changes to contained content
 - All the content currently available for you and your users, including 15,000+ news, legal, business, and academic journal sources, will still be there.
- ◇ Will my user ID created with self Registrations transfer over?
 - Will all of my users' alerts & folders transfer over?
 - You can expect your user ID and all of your existing alerts & folders to transfer to the upgraded Nexis Uni.
