

# New EBSCOhost User Interface Coming!

Library Information Service Team  
2024. 10

After the end of October 2024, the EBSCOhost user interface will be updated with a new look.

There is no change to the access URL.

The new userguide download page has been opened.

For details, please check the link below to learn more about the new EBSCOhost

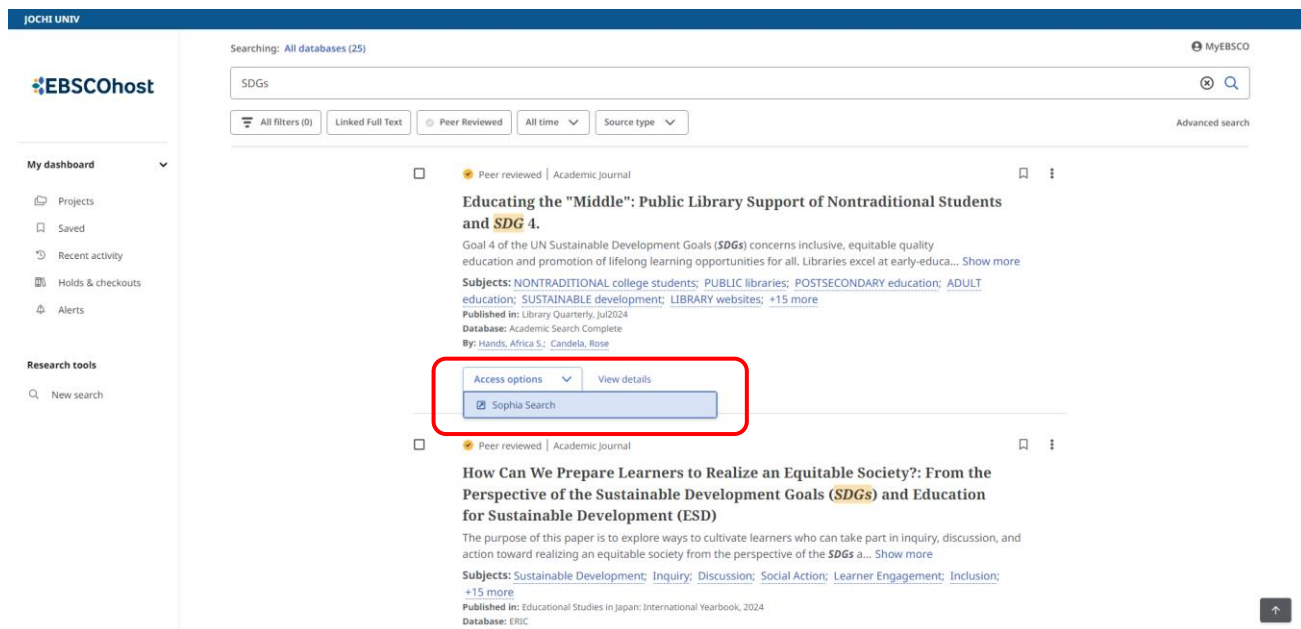

◇ You can search for various new UI FAQs and videos on EBSCO Connect.

[https://connect.ebsco.com/s/?language=en\\_US](https://connect.ebsco.com/s/?language=en_US)

◇ Online courses provide training and demonstration on a variety of EBSCO products and interfaces.

## 【Search result list screen】

In the current version of EBSCOhost, if the full text could not be viewed from the search results, the Sophia Search icon  would be displayed on the search result list and result details screen. After upgrading, the Sophia Search icon will not be displayed and Sophia Search will be displayed when you open the "Access Options" pulldown only if you cannot view the full text.

The library will hold a workshop on “How to search on EBSCOhost and Web of Science(in English)” on November 12th (Tue) from 15:25 to 16:25 and November 25th (Mon) from 15:25 to 16:25.

This session will introduce you to the new EBSCOhost UI.
